How do I join a class?

Tess Lippincott
Customer Support

You can join a class to receive Remind messages via text, email, or push notification (or any combination of these).

1 To get text notifications:

▶ Join by text:

Participants text a unique class code to a Remind phone number. For U.S teachers, the Remind number is 81010. For example, if you wanted to join a class with the class code @math, you would text @math to 81010.

▶ **Join online:**

Visit remind.com/join and enter the class code along with your mobile phone number. You'll get text notifications at the number you entered.

2 **Get mobile app notifications.**

[Download the mobile app](#) for iOS and Android devices and create a new account (or log in if you already have one.) To join a class, tap the + by Classes Joined and either join with your class code or search for your class. You'll automatically get app notifications.

3 **Get email notifications.**

▶ **Join online:**

Visit remind.com/join and enter the class code and your email address.

▶ **Join from your inbox:**

Send a blank email to code@mail.remind.com. (If the class code were @math, for example, you'd send a blank email to math@mail.remind.com.) You'll get a response with more instructions.

If you don't have a class code, you can log in to your account to search for your class.
